KMS Bearings, Inc.  
1590 Lakeview Loop  
Anaheim, CA 92807

To whom it may concern,

This letter to certify that to the best of our knowledge, all materials used for KMS standard Acetal and Polypropylene ball bearings comply with the REACH SVHC and contain none of the substances listed by the regulation as intentional ingredients.

If further certificates are needed, please contact KMS Bearings, Inc.

Sincerely,

A handwritten signature in black ink that reads "Susan Dominguez". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

Susan Dominguez  
Quality Assurance Manager  
KMS Bearings, Inc.
